Substitute striped fabrics (any color and any scale) in place of the coral. If you don't have any striped 1-½" strips, I will bring some to the in-person June guild meeting to share.

Please use a white to off-white for the background color. My sample blocks are made with Kona Dove, for reference.

This is a quilt I made using scrappy stripes on an off-white background (Kona Dove.) I liked the result and thought it would be a fun scheme for the Lockup block.
